A photograph of an outdoor event setup. In the foreground, a swimming pool with a blue tiled edge is visible. Behind the pool, there is a paved patio area with several wooden picnic tables and benches. A large pink pop-up tent is the central feature, with the text "Urban Fresh Deli" printed on its valance and side panels. Two closed blue patio umbrellas stand on either side of the tent. In the background, there are lush green trees and a clear blue sky. A few people are visible near the tent and to the right. The overall scene suggests a private event or a promotional display for a business.

PRIVATE EVENTS

MUSIC EVENTS & COCKTAILS

The background image shows a professional outdoor music event setup at night. A stage is covered with a dark blue cloth and is flanked by large black JBL speakers. On the stage, there is a drum set and other musical equipment. A metal truss system with stage lights is positioned above the stage. To the right, a staircase with a metal railing leads up to the stage area. The scene is set against a backdrop of palm trees and other tropical foliage. The overall lighting is dim, with some stage lights visible.

PRICING

Every attempt is made to deliver a professional yet affordable food service for your events. We aim to form long-lasting partnerships with our food partners and, as such, we offer cash-back incentives for CLUB and COMMUNITY PARTNERS*.

When we cater at sporting events, we understand the specific challenges that come with pleasing the palates and appetites of athletes and spectators alike.

When we cater for clubs and food markets, we cater for the whole family. Kids meals are always served at reduced rates and we do not have an age limit for children. Anyone under 18 is considered a child.

We cater for vegetarians and people with food sensitivities. We do not, however, serve halaal meat. Our guests can, instead, enjoy our selection of fish dishes.
